Linwood Hometown Hero Banners

As we are commemorating our nations 250th, Linwood is kicking off a Hometown Hero banner program to honor the men and women who have proudly served our nation

Throughout our history. Several of our neighboring communities display banners for their hometown heroes, and Linwood is proud to begin its own.

Families, neighbors, or friends may choose to recognize the who is close to their heart. The only requirement is the veteran must have lived here in Linwood at one time, even if they moved away.

The banners honoring those Linwood residents who answered the call to duty will be proudly displayed on the poles along Shore Road for all to see.

To learn more about the program to honor our local Linwood heroes visit the Linwood Historical Society website www.linwoodnj.org or email marino.suzanne1@gmail.com or call the museum and leave a message 609-927-8293.
